A NOTED AMERICAN
PHILOSOPHER

once said that if a man could build a better house or a better mouse trap than his competitor, the world would soon make a beaten path to his home, though he set up shop in a wilderness.

We attribute the success of our business to this principle, and have spared no effort in getting the best merchandise obtainable. High-grade workmanship combined with lots of style, originality, and best values are here.

R. K. WHITE,

Watchmaker, Manufacturing Jeweler and Graduate Optician.

TERSELY TOLD.

R. Tomasello, of Bay Point, was among the visitors in the city yesterday who registered at the Merchants.

W. H. Britton, president of the First National Bank, of Florida, was in the city yesterday on a short business visit.

H. S. Laird, formerly of this city, but who is now practicing law at Milton, was in Pensacola yesterday on legal business.

On account of the very inclement weather there was no concert at Palmetto Beach last night, the event being postponed until next week.

Fifteen defendants were before Recorder Laney in the municipal court yesterday morning for trial. Of this number four defendants were discharged, one case continued and fines imposed amounting to \$38.

Judge Francis B. Carter, who reached here last week, has returned to his home for a few days. He will be here however, before the 9th of this month, when the special term of the circuit court is to be convened.

Dr. S. M. Gonzalez states that he has just received from Washington his appointment as medical officer at Panama, and expects to leave within the course of the next few weeks for that place. He will be among the physicians in the hospital recently established there.

The regular weekly concert in Seville square by Weyer's Band will be given to-night, and as usual, it is expected that there will be a large crowd in attendance. These concerts are free to all, and are supported by public subscriptions. An excellent program has been arranged and will be rendered if the weather is favorable.

Jas. Laird, who has been pitching ball for the Greenville team of the Cotton States League, has returned home, and will probably remain here during the remainder of the season. Owing to the quarantine regulations, which are now in effect in Mississippi and Louisiana, a number of the teams of that league have been suspended. Laird made a good reputation as a twirler at Greenville, winning about seventeen of the twenty-four games he pitched.

July sales of Blue Ribbon Lemon and Vanilla Extracts broke all big records. The increase in sales from month to month is due to their high quality. Ask your grocer for Blue Ribbon Lemon and Vanilla Extracts. Takes less. Flavors perfectly.

Electric Park To-Night.

The committee in charge of the dance to be given at Electric Park has completed its work and a most enjoyable time is promised to all who attend. The floor is in exceptionally fine condition and D. D. Collins's string band has been engaged. Several of the very latest two steps and waltzes will be rendered for the first time, on this occasion. Cars every half hour. Admission 25c.

IN ALL WALKS OF LIFE.

Herpicide is Used to Cure Dandruff. E. H. Lyon, New York, N. Y., says: "I am very fond of Herpicide and use it. It is refreshing." Dr. J. H. Bush, Toledo, Ohio, writes: "Newbro's Herpicide has given better satisfaction than anything I have ever used."

Mrs. Brokey, of Chadron, Neb., says of Herpicide: "It cleaned my head of dandruff and stopped my hair from falling out. It is the best remedy for dandruff I ever used, and I have used a great many."

R. S. Coleman, Ann Arbor, Mich., says: "I have used two bottles of Herpicide and derived benefit therefrom." Sold by W. A. D'Alemberte, druggist and apothecary, 121 S. Palafox street, Pensacola, Fla. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
